PART II.—FILING, SERVICE AND EFFECT OF CERTIFICATES, AND HEARING OF OBJECTIONS THERETO.

Filing of certificate for public demand payable to Collector.

4. When the Certificate-officer is satisfied that any public demand payable to the Collector is due, he may sign a certificate, in the prescribed form, stating that the demand is due, and shall cause the certificate to be filed in his office.

Requisition for certificate in other cases.

5. (*1*) When any public demand payable to any person other than the Collector is due, such person may send to the Certificate-officer a written requisition in the prescribed form.

(*2*) Every such requisition shall be signed and verified in the prescribed manner, and, except in such cases as may be prescribed, shall be chargeable with a fee of the amount which would be payable under the Court-fees Act, 1870, in respect of a plaint for the recovery of a sum of money equal to that stated in the requisition as being due. VII of 1870.

Filing of certificate on requisition.

6. On receipt of any such requisition, the Certificate-officer, if he is satisfied that the demand is recoverable and that recovery by suit is not barred by law, may sign a certificate, in the prescribed form, stating that the demand is due; and shall include in the certificate the fee (if any) paid under section 5, sub-section (*2*); and shall cause the certificate to be filed in his office.

Service of notice and copy of certificate on certificate-debtor.

7. When a certificate has been filed in the office of a Certificate-officer under section 4 or section 6, he shall cause to be served upon the certificate-debtor, in the prescribed manner, a notice in the prescribed form and a copy of the certificate.

Effect of service of notice of certificate.

8. From and after the service of notice of any certificate under section 7 upon a certificate-debtor, —

(*a*) any private transfer or delivery of any of his immovable property situated in the district in which the certificate is filed, or of any interest in any such property, shall be void against any claim enforceable in execution of the certificate; and

Filing of petition denying liability.

9. (*1*) The certificate-debtor may, within thirty days from the service of the notice required by section 7, or, where the notice has not been duly served, then within thirty days from the execution of any process for enforcing the certificate, present to the Certificate-officer in whose office the certificate is filed, or to the Certificate-officer who is executing the certificate, a petition, in the prescribed form, signed and verified in the prescribed manner, denying his liability, in whole or in part.

Provided that, if the Certificate-officer is not the Collector, and considers that the petition involves a *bonâ fide* claim of right to property, he shall refer the petition to the Collector for orders; and the Collector, if he is satisfied that a *bonâ fide* claim of right to property is involved, shall make an order cancelling the certificate.

(Bengal Public Demands Recovery Act, 1913.—Part III.—Execution of Certificates.—Sections 11-16.)

PART III.—EXECUTION OF CERTIFICATES.

Who may execute certificate.

11. A certificate filed under section 4 or section 6 may be executed by—

(*a*) the Certificate-officer in whose office the original certificate is filed, or

(*b*) the Certificate-officer to whom a copy of the certificate is sent for execution under section 12, sub-section (*1*).

Transmission of certificate to another Certificate-officer for execution.

12. (*1*) A Certificate-officer in whose office a certificate is filed may send a copy thereof, for execution, to any other Certificate-officer in the same district or to the Collector of any other district.

(*2*) When a copy of a certificate is sent to any such officer, he shall cause it to be filed in his office, and thereupon the provisions of section 8 with respect to certificates filed in the office of a Certificate-officer shall apply as if such copy were an original certificate:

Provided that it shall not be necessary to serve a second notice and copy under section 7.

When certificate may be executed.

13. No step in execution of a certificate shall be taken until the period of thirty days has elapsed since the date of the service of the notice required by section 7, or, when a petition has been duly filed under section 9, until such petition has been heard and determined:

Provided that, if the Certificate-officer in whose office a certificate is filed is satisfied that the certificate-debtor is likely to conceal, remove or dispose of the whole or any part of such of his movable property as would be liable to attachment in execution of a decree of a Civil Court, and that the realization of the amount of the certificate would in consequence be delayed or obstructed, he may at any time direct, for reasons to be recorded in writing, an attachment of the whole or any part of such movable property.

Modes of execution.

14. Subject to such conditions and limitations as may be prescribed, a Certificate-officer may order execution of a certificate—

(*a*) by attachment and sale, or by sale (without previous attachment), of any property, or

(*b*) by attachment of any decree, or

(*c*) by arresting the certificate-debtor and detaining him in the civil prison, or

(*d*) by any two or all of the methods mentioned in clauses (*a*), (*b*) and (*c*).

Explanation to clause (*d*).—The Certificate-officer may, in his discretion, refuse execution at the same time against the person and property of the certificate-debtor.

Certain sales by whom to be held.

15. Where a revenue-paying estate or any share therein is liable to sale in execution of a certificate, such sale may be held either—

(*a*) by the Certificate-officer exercising jurisdiction in the district to the revenue-roll of which the estate or share appertains, or

(*b*) by the Certificate-officer exercising jurisdiction in the district in which such estate or share is situated.

Interest, costs and charges recoverable.

16. There shall be recoverable, in the proceedings in execution of every certificate filed under this Act,—

(*a*) interest upon the public demand to which the certificate relates, at the rate of six and a quarter *per centum per annum* from the date of the signing of the certificate up to the date of realisation,

(Bengal Public Demands Recovery Act, 1913.—Part III.—Execution of Certificates.—Attachment.—Sale.—Sections 17-20.)

(*b*) such costs as are directed to be paid under section 45, and

(*c*) all charges incurred in respect of—

(*i*) the service of notice under section 7, and of warrants and other processes, and

(*ii*) all other proceedings taken for realising the demand.

Attachment.

Attachment of property.

17. Property liable to attachment and sale in execution of a decree of a Civil Court may be attached and sold in execution of a certificate under this Act.

Payment of moneys, contrary to attachment, to be void.

18. Where an attachment has been made in execution of a certificate, any payment to the certificate-debtor of any debt, dividend or other moneys, contrary to such attachment, shall be void as against all claims enforceable under the attachment.

Attachment of decree.

19. (*1*) The attachment of a Civil Court decree for the payment of money or for sale in enforcement of a mortgage or charge shall be made by the issue to the Civil Court of a notice requesting the Civil Court to stay the execution of the decree unless and until—

(*i*) the Certificate-officer cancels the notice, or

(*ii*) the certificate-holder or the certificate-debtor applies to the Court receiving such notice to execute the decree.

(*2*) Where a Civil Court receives an application under clause (*ii*) of sub-section (*1*), it shall, on the application of the certificate-holder or the certificate-debtor, and subject to the provisions of the Code of Civil Procedure, 1908, proceed to execute the attached decree and apply the net proceeds in satisfaction of the certificate. V of 1908.

(*3*) The certificate-holder shall be deemed to be the representative of the holder of the attached decree, and to be entitled to execute such attached decree in any manner lawful for the holder thereof.

Sale.

Purchaser's title.

20. (*1*) Where property is sold in execution of a certificate, there shall vest in the purchaser merely the right, title and interest of the certificate-debtor at the time of the sale, even though the property itself be specified.

(*2*) Where immovable property is sold in execution of a certificate, and such sale has become absolute, the purchaser's right, title and interest shall be deemed to have vested in him from the time when the property is sold, and not from the time when the sale becomes absolute.

(*3*) Notwithstanding anything contained in sub-section (*1*), in areas in which Chapter XIV of the Bengal Tenancy Act, 1885, is in force, where a tenure or holding is sold in execution of a certificate for arrears of rent due in respect thereof, the tenure or holding shall, subject to the provisions of section 22 of that Act, pass to the purchaser, subject to the interests defined in that Chapter as "protected interests," but with power to annul the interests defined in that Chapter as "incumbrances:" VIII of 1885.

Provided as follows:—

(*i*) a registered and notified incumbrance within the meaning of that Chapter shall not be so annulled except in the case prescribed; and

(Bengal Public Demands Recovery Act, 1913.—Part III.—Execution of Certificates.—Sale.—Setting aside sale.—Sections 21-23.)

(*ii*) the power to annul shall be exercisable only in the manner prescribed.

(*4*) Where the certificate-holder is a co-sharer landlord and the certificate is for his share of the rent only, the provisions of sub-section (*3*) shall not apply.

Suit against purchaser not maintainable on ground of purchase being on behalf of plaintiff.

21. (*1*) No suit shall be maintained, against any person claiming title under a purchase certified by the Certificate-officer in such manner as may be prescribed, on the ground that the purchase was made on behalf of the plaintiff or on behalf of someone through whom the plaintiff claims.

(*2*) Nothing in this section shall bar a suit to obtain a declaration that the name of any purchaser certified as aforesaid was inserted in the certificate fraudulently or without the consent of the real purchaser, or interfere with the right of a third person to proceed against that property, though ostensibly sold to the certified purchaser, on the ground that it is liable to satisfy a claim of such third person against the real owner.

Setting aside sale.

Application to set aside sale of immovable property on deposit.

22. (*1*) Where immovable property has been sold in execution of a certificate, the certificate-debtor, or any person whose interests are affected by the sale, may, at any time within thirty days from the date of the sale, apply to the Certificate-officer to set aside the sale, on his depositing—

(*a*) for payment to the certificate-holder, the amount specified in the proclamation of sale as that for the recovery of which the sale was ordered, with interest thereon at the rate of twelve and a half *per centum per annum*, calculated from the date of the certificate to the date when the deposit is made;

(*b*) for payment to the purchaser, as penalty, a sum equal to five *per cent.* of the purchase-money, but not less than one rupee; and

(*c*) for payment to the Collector, (where the certificate is for a public demand payable to the Collector), such outstanding charges due to the Government under any law for the time being in force as the Collector certifies to be payable by the certificate-debtor.

(*2*) Where a person makes an application under section 23 for setting aside the sale of his immovable property, he shall not, unless he withdraws that application, be entitled to make or prosecute an application under this section.

Application to set aside sale of immovable property on ground of non-service of notice or irregularity.

23. (*1*) Where immovable property has been sold in execution of a certificate, the certificate-holder, the certificate-debtor, or any person whose interests are affected by the sale, may, at any time within sixty days from the date of the sale, apply to the Certificate-officer to set aside the sale on the ground that notice was not served under section 7 or on the ground of a material irregularity in the certificate proceedings or in publishing or conducting the sale:

Provided as follows:—

(*a*) no sale shall be set aside on any such ground unless the Certificate-officer is satisfied that the applicant has sustained substantial injury by reason of the non-service or irregularity; and

(*b*) an application made by a certificate-debtor under this section shall be disallowed unless the applicant either deposits the amount recoverable from him in execution of the certificate or satisfies the Certificate-officer that he is not liable to pay such amount.

(*2*) Notwithstanding anything contained in sub-section (*1*), the Certificate-officer may entertain an application made after the expiry of 60 days from the date of the sale if he is satisfied that there are reasonable grounds for so doing.

(Bengal Public Demands Recovery Act, 1913.—Part III.—Execution of Certificates.—Setting aside sale.—Disposal of proceeds of execution.—Resistance to purchaser after sale.—Sections 24-28.)

Application to set aside sale on ground that certificate-debtor had no saleable interest or that property did not exist.

24. The purchaser at any sale of immovable property in execution of a certificate may, at any time within sixty days from the date of the sale, apply to the Certificate-officer to set aside the sale on the ground that the certificate-debtor had no saleable interest in the property sold, or that the property did not exist at the time of the sale.

Sale when to become absolute or be set aside.

25. (*1*) Where no application is made under section 22, section 23 or section 24, or where such an application is made and disallowed, the Certificate-officer shall make an order confirming the sale, and thereupon the sale shall become absolute.

(*2*) Where such an application is made and allowed, and where, in the case of an application under section 22, the deposit required by that section is made within thirty days from the date of the sale, the Certificate-officer shall make an order setting aside the sale:

Provided that no order shall be made unless notice of the application has been given to all persons affected thereby.

Disposal of proceeds of execution.

Disposal of proceeds of execution.

26. (*1*) Whenever assets are realized, by sale or otherwise, in execution of a certificate, they shall be disposed of in the following manner:—

(*a*) there shall first be paid to the certificate-holder the costs incurred by him;

(*b*) there shall, in the next place, be paid to the certificate-holder the amount due to him under the certificate in execution of which the assets were realized;

(*c*) if there remains a balance after these sums have been paid, there shall be paid to the certificate-holder therefrom any other amount recoverable under the procedure provided by this Act which may be due to him upon the date upon which the assets were realized; and

(*d*) the balance (if any) remaining after the payment of the amount (if any) referred to in clause (*c*) shall be paid to the certificate-debtor.

(*2*) If the certificate-debtor disputes any claim made by the certificate-holder to receive any amount referred to in clause (*c*), the Certificate-officer shall determine the dispute.

Resistance to purchaser after sale.

Application by purchaser resisted or obstructed in obtaining possession of immovable property.

27. (*1*) If the purchaser of any immovable property sold in execution of a certificate is resisted or obstructed by any person in obtaining possession of the property, he may apply to the Certificate-officer.

(*2*) The Certificate-officer shall fix a day for investigating the matter, and shall summon the party against whom the application is made to appear and answer the same.

Procedure on such application.

28. (*1*) If the Certificate-officer is satisfied that the resistance or obstruction was occasioned without any just cause by the certificate-debtor or by some person on his behalf, he shall direct that the applicant be put into possession of the property; and, if the applicant is still resisted or obstructed in obtaining possession, the Certificate-officer may also, at the instance of the applicant, order the certificate-debtor or such other person to be detained in the civil prison for a term which may extend to thirty days.

(*2*) If the Certificate-officer is satisfied that the resistance or obstruction was occasioned by any person (other than the certificate-debtor) claiming in good faith to be in possession of the property on his own account or on account of some person other than the certificate-debtor, the Certificate-officer shall make an order dismissing the application.

(Bengal Public Demands Recovery Act, 1913.—Part III.—Execution of Certificates.—Arrest, Detention and Release.—Sections 29-32.)

Arrest, Detention and Release.

Power of arrest and detention.

29. A certificate-debtor may be arrested in execution of a certificate at any hour and on any day, except as provided in section 47, and, when so arrested, shall, as soon as practicable, be brought before the Certificate-officer; and his detention may be in the civil prison of the district in which the Certificate-officer ordering the detention exercises jurisdiction, or, where such civil prison does not afford suitable accommodation, in any other place which the Local Government may appoint for the detention of persons ordered by the Civil Courts of such district to be detained:

Provided that, if the certificate-debtor pays the amount entered in the warrant of arrest as due under the certificate, and the costs of the arrest, to the officer arresting him, such officer shall at once release him.

Release from arrest and re-arrest.

30. (*1*) The Collector may order the release of a certificate-debtor who has been arrested in execution of a certificate, upon being satisfied that he has disclosed the whole of his property and has placed it at the disposal of the Certificate-officer and that he has not committed any act of bad faith.

(*2*) If the Certificate-officer has ground for believing the disclosure made by a certificate-debtor under sub-section (*1*) to have been untrue, he may order the re-arrest of the certificate-debtor in execution of the certificate, but the period of his detention in the civil prison shall not in the aggregate exceed that authorised by section 31 sub-section (*1*).

Detention in, and release from, prison.

31. (*1*) Every person detained in the civil prison in execution of a certificate may be so detained,—

(*a*) where the certificate is for a demand of an amount exceeding fifty rupees—for a period of six months, and

(*b*) in any other case—for a period of six weeks:

Provided that he shall be released from such detention—

(*i*) on the amount mentioned in the warrant for his detention being paid to the officer in charge of the civil prison, or

(*ii*) on the certificate being otherwise fully satisfied, or cancelled, or

(*iii*) on the request of the person (if any) on whose requisition the certificate was filed, or of the Collector, or

(*iv*) on the omission by the person (if any) on whose requisition the certificate was filed to pay the subsistence allowance fixed by the Certificate-officer:

Provided, also, that he shall not be released from such detention under clause (*ii*) or clause (*iii*) without the order of the Certificate-officer.

(*2*) A certificate-debtor released from detention under this section shall not, merely by reason of his release, be discharged from his debt; but he shall not be liable to be re-arrested under the certificate in execution of which he was detained in the civil prison.

Release on ground of illness.

32. (*1*) At any time after a warrant for the arrest of a certificate-debtor has been issued, the Certificate-officer may cancel it on the ground of his serious illness.

(*2*) Where a certificate-debtor has been arrested, the Certificate-officer may release him if, in the opinion of the Certificate-officer, he is not in a fit state of health to be detained in the civil prison.

(Bengal Public Demands Recovery Act, 1913.—Part III.—Execution of Certificates.—Arrest, Detention and Release.—Part IV.—Reference to Civil Court.—Sections 33-35.)

(3) Where a certificate-debtor has been committed to the civil prison, he may be released therefrom—

(a) by the Collector, on the ground of the existence of any infectious or contagious disease, or

(b) by the Certificate-officer, or the Collector, on the ground of his suffering from any serious illness.

(4) A certificate-debtor released under this section may be re-arrested, but the period of his detention in the civil prison shall not in the aggregate exceed that authorized by section 51, sub-section (1).

Prohibition of arrest or detention of women and persons under disability.

33. Notwithstanding anything in this Act, the Certificate-officer shall not order the arrest or detention in the civil prison of—

(a) a woman, or

(b) any person who, in his opinion, is a minor or of unsound mind.

PART IV.—REFERENCE TO CIVIL COURT.

Suit in Civil Court to have certificate cancelled or modified.

34. The certificate-debtor may, at any time within six months—

(1) from the service upon him of the notice required by section 7, or

(2) if he files, in accordance with section 9, a petition denying liability—from the date of the determination of the petition, or

(3) if he appeals, in accordance with section 51, from an order passed under section 10—from the date of the decision of such appeal,

bring a suit in a Civil Court to have the certificate cancelled or modified, and for any further consequential relief to which he may be entitled:

Provided that no such suit shall be entertained—

(a) in any case, if the certificate-debtor has omitted to file, in accordance with section 9, a petition denying liability, or to state in his petition denying liability the ground upon which he claims to have the certificate cancelled or modified, and cannot satisfy the Court that there was good reason for the omission, or

(b) in the case of a certificate for a demand mentioned in Article 1 or Article 2 of Schedule I, if the certificate-debtor has not paid the amount due under the certificate to the Certificate-officer—

(i) within thirty days from the service of the notice required by section 7, or

(ii) if he has filed, in accordance with section 9, a petition denying liability—then within thirty days from the date of the determination of the petition, or

(iii) if he has appealed in accordance with section 51—then within thirty days from the decision of the appeal:

Provided also that no sale in execution of a certificate shall be set aside in such a suit unless the purchaser has been made a party to the suit and until a direction is made for the refund of the amount of the purchase-money, with such interest (if any) as the Court may allow.

Grounds for cancellation or modification of certificate by Civil Court.

35. (1) No certificate duly filed under this Act shall be cancelled by a Civil Court, except on one of the following grounds, namely:—

(a) that the amount stated in the certificate was actually paid or discharged before the signing of the certificate;

(Bengal Public Demands Recovery Act, 1913.—Part IV.—Reference to Civil Court.—Part V.—Rules.—Sections 36-39.)

(*b*) that no part of the amount stated in the certificate was due by the certificate-debtor to the certificate holder; or

(*c*) that, in the case of fines imposed, or costs, charges, expenses, damages, duties or fees adjudged, by a Collector or a public officer under any law or any rule having the force of law, the proceedings of such Collector or public officer were not in substantial conformity with the provisions of such law or rule, and that in consequence the certificate-debtor suffered substantial injury from some error, defect or irregularity in such proceedings.

(*2*) No certificate duly filed under this Act shall be modified by a Civil Court, except on one of the following grounds, namely:—

(*i*) that a portion of the alleged debt was not due; or

(*ii*) that the certificate-debtor has not received credit for any portion which he has paid.

(*3*) Nothing contained in this section shall interfere with the ordinary original jurisdiction of the High Court at Fort William in Bengal, or with the jurisdiction of the Calcutta Court of Small Causes.

Suit to recover possession of, or to set aside sale of, immovable property, where notice of certificate not served.

36. Notwithstanding anything hereinbefore contained, a sale of immovable property in execution of a certificate shall not be held to be void on the ground that the notice required by section 7 has not been served; but a suit may be brought in a Civil Court to recover possession of such property or to set aside such sale on the ground that such notice has not been served, and that the plaintiff has sustained substantial injury by reason of the irregularity:

Provided that no such suit shall be entertained—

(*a*) if instituted more than one year from the date on which possession of the property was delivered to the purchaser, or

(*b*) if the certificate-debtor has made appearance in the certificate proceeding, or has applied to the Certificate-officer under section 22 or section 23 to set aside the sale.

General bar to jurisdiction of Civil Courts, save where fraud alleged.

37. Except as otherwise expressly provided in this Act, every question arising between the certificate-holder and the certificate-debtor, or their representatives, relating to the making, execution, discharge or satisfaction of a certificate duly filed under this Act, or relating to the confirmation or setting aside by an order under this Act of a sale held in execution of such certificate, shall be determined, not by suit, but by order of the Certificate-officer before whom such question arises, or of such other Certificate-officer as he may determine:

Provided that a suit may be brought in a Civil Court in respect of any such question upon the ground of fraud.

PART V.—RULES.

Effect of rules in Schedule II.

38. The rules in Schedule II shall have effect as if enacted in the body of this Act, until altered or annulled in accordance with the provisions of this Part.

Power of Board of Revenue to make rules as to procedure.

39. (*1*) The Board of Revenue may, after previous publication and with the previous sanction of the Local Government, make rules regulating the procedure to be followed by persons making requisitions under section 5 and by Collectors and Certificate-officers acting under this Act; and may, by such rules, alter, add to or annul any of the rules in Schedule II.

(*2*) Such rules shall not be inconsistent with the provisions in the body of this Act, but, subject thereto, may, in particular, and without prejudice to the generality of the power conferred by sub-section (*1*), provide for all or any of the following matters, namely:—

(Bengal Public Demands Recovery Act, 1913.—Part V.—Rules.—Part VI.—Suplemental Provisions.—Sections 40-44.)

(*b*) the Certificate-officers to whom such requisitions should be addressed;

(*c*) the cases in which such requisitions shall not be chargeable with a fee;

(*d*) the service of notices issued under section 7, the service of other notices or processes issued under this Act, and the manner in which service may be proved;

(*e*) the signing and verification of petitions, under section 9, denying liability;

(*f*) the transfer of such petitions to other officers for disposal;

(*g*) the scale of charges to be recovered under section 16, clause (*c*);

(*h*) the maintenance and custody, while under attachment, of live-stock and other movable property, the fees to be charged for such maintenance and custody, the sale of such live-stock and property, and the disposal of the proceeds of such sale;

(*i*) the registers, books and accounts to be kept by Certificate-officers, and the inspection thereof by the public;

(*j*) the fee to be charged for the inspection of the register of certificates maintained under rule 59 in Schedule II;

(*k*) the recovery of expenditure on the certificate establishment by the levy of costs under section 16, clause (*b*), and section 47;

(*l*) the recovery of poundage fees;

(*m*) the forms to be used under this Act.

Publication and effect of rules made under section 39.

40. (*1*) Rules made and sanctioned under section 39 shall be published in the Calcutta Gazette, and shall, from the date of publication or from such other date as may be specified, have the same force and effect as if they had been contained in Schedule II.

(*2*) All references in this Act to the said Schedule II shall be construed as referring to that Schedule as for the time being amended by such rules.

PART VI.—SUPPLEMENTAL PROVISIONS.

Persons under disability.

41. Where the Certificate-officer is satisfied that the Certificate-debtor is a minor or of unsound mind, he shall, in any proceeding under this Act, permit him to be represented by any suitable person.

Continuance of certificates.

42. No certificate shall cease to be in force by reason of—

(*a*) the property to which the demand relates ceasing to be under the charge or management of the Court of Wards or the Revenue-authorities; or

(*b*) the death of the certificate-holder.

Procedure on death of certificate-debtor.

43. Where a certificate-debtor dies before the certificate has been fully satisfied, the Certificate-officer may, after serving upon the legal representative of the deceased a notice in the prescribed form, proceed to execute the certificate against such legal representative; and the provisions of this Act shall apply as if such legal representative were the certificate debtor and as if such notice were a notice under section 7:

Release of property from attachment or sale.

25. Where, upon the said investigation, the Certificate-officer is satisfied that, for the reason stated in the claim or objection, such property was not,—

(*a*) (in the case of immovable property) at the date of the service of the notice under section 7, or

(*b*) (in the case of movable property) at the date of the attachment,

in the possession of the certificate-debtor or of some person in trust for him or in the occupancy of a tenant or other person paying rent to him, or that, being in the possession of the certificate-debtor at the said date, it was so in his possession, not on his own account or as his own property, but on account of or in trust for some other person, or partly on his own account and partly on account of some other person,

the Certificate-officer shall make an order releasing the property, wholly or to such extent as he thinks fit, from attachment or sale.

Disallowance of claim to property attached.

26. Where the Certificate-officer is satisfied that the property was, at the said date, in the possession of the certificate-debtor as his own property and not on account of any other person, or was in the possession of some other person in trust for him, or in the occupancy of a tenant or other person paying rent to him, the Certificate-officer shall disallow the claim.

Saving of suits to establish right to attached property.

27. Where a claim or an objection is preferred, the party against whom an order is made may institute a suit in a Civil Court to establish the right which he claims to the property in dispute; but, subject to the result of such suit (if any), the order shall be conclusive.

Sale generally.

Power to order sale of attached property.

28. Any Certificate-officer executing a certificate may order that any property liable to sale, or such portion thereof as may seem necessary to satisfy the certificate, shall be sold.

Proclamation of sale by public auction.

29. (*1*) Where any immovable property, or any movable property exceeding twenty rupees in value, is ordered to be sold by public auction, the Certificate-officer shall cause a proclamation of the intended sale to be made in the language of the Courts of the district.

(*2*) Such proclamation shall be drawn up after notice to the certificate-debtor, and shall state the time and place of sale, and shall specify, as fairly and accurately as possible,—

(*a*) the property to be sold;

(*b*) (where the property to be sold is an interest in an estate or in part of an estate paying revenue to the Government) the revenue assessed upon the estate or part of the estate;

(*c*) the amount for the recovery of which the sale is ordered; and

(*d*) every other thing which the Certificate-officer considers it material for a purchaser to know in order to judge of the nature and value of the property.

(*3*) Where a tenure, or a raiyati holding at fixed rates, situated in an area in which Chapter XIV of the Bengal Tenancy Act, 1885, is in force, is to be sold in execution of a certificate for arrears of rent due in respect thereof, the said proclamation shall also state that the tenure or holding will first be put up to auction subject to registered and notified incumbrances, and will be sold subject to those incumbrances if the sum bid is sufficient to liquidate the amount specified in the certificate, and costs, and that otherwise it will, if the certificate-holder so desires, be sold on a subsequent day, of which due notice will be given, with power to annul all incumbrances. VIII of 1885.

(*4*) Where an occupancy holding, situated in an area in which Chapter XIV of the Bengal Tenancy Act, 1885, is in force, is to be sold in execution of a certificate for arrears of rent due in respect thereof, the said proclamation shall also state that the holding will be sold with power to annul all incumbrances. VIII of 1885.

(*5*) Where the certificate-holder is a co-sharer landlord and the certificate is for his share of the rent only, the provisions of sub-rules (*3*) and (*4*) shall not apply

(Bengal Public Demands Recovery Act, 1913.—Schedule II.—Rules.—Rules 30—35.)

(6) For the purpose of ascertaining the matters to be specified in the proclamation, the Certificate-officer may summon any person whom he thinks necessary to summon, and may examine him in respect to any such matters and require him to produce any document in his possession or power relating thereto.

Mode of making proclamation.

30. (1) Every proclamation for the sale of immovable property shall be made at some place on or near such property by beat of drum or other customary mode, and a copy of the proclamation shall be affixed on a conspicuous part of the property and then upon a conspicuous part of the office of the Certificate-officer.

(2) Where the Certificate-officer so directs, such proclamation shall also be published in the Calcutta Gazette or in a local newspaper, or in both; and the cost of such publication shall be deemed to be costs of the sale.

(3) If a tenure, a raiyati holding at fixed rates or an occupancy holding situated in an area in which Chapter XIV of the Bengal Tenancy Act, 1885, is in force, is to be sold in execution of a certificate for arrears of rent due in respect thereof, the proclamation shall also be published in the Malkachari or rent office of the estate and at the local thana. VIII of 1885.

(4) Where property is divided into lots for the purpose of being sold separately, it shall not be necessary to make a separate proclamation for each lot, unless proper notice of the sale cannot, in the opinion of the Certificate-officer, otherwise be given.

Time of sale.

31. Save in the case of property of the kind described in the proviso to rule 13, no sale hereunder shall, without the consent in writing of the certificate-debtor, take place until after the expiration of at least thirty days in the case of immovable property, or of at least fifteen days in the case of movable property exceeding twenty rupees in value, calculated from the date on which a copy of a sale proclamation has been affixed in a conspicuous part of the office of the Certificate-officer:

Provided that if a tenure, a raiyati holding at fixed rates or an occupancy holding, situated in an area in which Chapter XIV of the Bengal Tenancy Act, 1885, is in force, is to be sold in execution of a certificate for arrears of rent due in respect thereof, the sale shall not, without the consent in writing of the certificate-debtor, take place until after the expiration of at least thirty days, calculated from— VIII of 1885.

(a) the date on which a copy of the sale proclamation has been affixed in a conspicuous part of the office of the Certificate-officer, or

(b) the date on which the sale proclamation has been published in the Malkachari or rent office of the estate and at the local thana,

whichever is later.

Adjournment or stoppage of sale.

32. (1) The Certificate-officer may, in his discretion, adjourn any sale hereunder to a specified day and hour; and the officer conducting any such sale may in his discretion adjourn the sale, recording his reasons for such adjournment:

Provided that, where the sale is made in, or within the precincts of, the office of the Certificate-officer, no such adjournment shall be made without the leave of the Certificate-officer.

(2) Where a sale is adjourned under sub-rule (1) for a longer period than seven days, a fresh proclamation under rule 30 shall be made, unless the certificate-debtor consents to waive it.

(3) Every sale shall be stopped if, before the lot is knocked down, the debt and costs (including the costs of the sale) are tendered to the officer conducting the sale, or proof is given to his satisfaction that the amount of such debt and costs has been paid to the Certificate-officer who ordered the sale.

Defaulting purchaser answerable for loss on re-sale.

33. Any deficiency of price which may happen on a re-sale by reason of the purchaser's default, and all expenses attending such re-sale, shall be certified to the Certificate-officer by the officer or other person holding the sale, and shall, at the instance of either the certificate-holder or the certificate-debtor, be recoverable from the defaulting purchaser under the procedure provided by this Act.

Restriction on bidding or purchase by officers.

34. No officer or other person having any duty to perform in connection with any sale shall, either directly or indirectly, bid for, acquire or attempt to acquire any interest in the property sold.

Sale of movable property.

Sale of agricultural produce.

35. (1) Where the property to be sold is agricultural produce, the sale shall be held,—

(a) if such produce is a growing crop—on or near the land on which such crop has grown, or

(Bengal Public Demands Recovery Act, 1913.—Schedule II. Rules.—Rules 36—41.)

(*b*) if such produce has been cut or gathered—at or near the threshing-floor or place for treading out grain or the like, or fodder-stack, on or in which it is deposited:

Provided that the Certificate-officer may direct the sale to be held at the nearest place of public resort, if he is of opinion that the produce is thereby likely to sell to greater advantage.

(*2*) Where, on the produce being put up for sale,—

(*a*) a fair price, in the estimation of the person holding the sale, is not offered for it, and

(*b*) the owner of the produce, or a person authorised to act in his behalf, applies to have the sale postponed till the next day or, if a market is held at the place of sale, the next market day,

the sale shall be postponed accordingly, and shall be then completed, whatever price may be offered for the produce.

Special provisions relating to growing crops.

36. (*1*) Where the property to be sold is a growing crop, and the crop from its nature admits of being stored but has not yet been stored, the day of the sale shall be so fixed as to admit of the crop being made ready for storing before the arrival of such day, and the sale shall not be held until the crop has been cut or gathered and is ready for storing.

(*2*) Where the crop from its nature does not admit of being stored, it may be sold before it is cut and gathered; and the purchaser shall be entitled to enter on the land, and to do all that is necessary for the purpose of tending and cutting or gathering the crop.

Sale by public auction.

37. (*1*) Where movable property is sold by public auction, the price of each lot shall be paid at the time of sale or as soon after as the officer or other person holding the sale directs, and in default of payment the property shall forthwith be re-sold.

(*2*) On payment of the purchase-money, the officer or other person holding the sale shall grant a receipt for the same, and the sale shall become absolute.

(*3*) Where the movable property to be sold is a share in goods belonging to the certificate-debtor and a co-owner, and two or more persons, of whom one is such co-owner, respectively bid the same sum for such property or for any lot, the bidding shall be deemed to be the bidding of the co-owner.

Irregularity not to vitiate sale, but any person injured may sue.

38. No irregularity in publishing or conducting the sale of movable property shall vitiate the sale; but any person sustaining substantial injury by reason of such irregularity at the hand of any other person may institute a suit in a Civil Court against him for compensation, or (if such other person is the purchaser) for the recovery of the specific property and for compensation in default of such recovery.

Delivery of movable property, debts and shares.

39. (*1*) Where the property sold is movable property of which actual seizure has been made, it shall be delivered to the purchaser.

(*2*) Where the property sold is movable property in the possession of some person other than the certificate-debtor, the delivery thereof to the purchaser shall be made by giving notice to the person in possession, prohibiting him from delivering possession of the property to any person except the purchaser.

(*3*) Where the property sold is a debt not secured by a negotiable instrument, or is a share in a corporation, the delivery thereof shall be made by a written order of the Certificate-officer prohibiting the creditor from receiving the debt or any interest thereon, and the debtor from making payment thereof to any person except the purchaser, or prohibiting the person in whose name the share may be standing from making any transfer of the share to any person except the purchaser or receiving payment of any dividend or interest thereon, and the manager, secretary or other proper officer of the corporation from permitting any such transfer or making any such payment to any person except the purchaser.

Transfer of negotiable instruments and shares.

40. (*1*) Where the execution of a document, or the endorsement of the party in whose name a negotiable instrument or a share in a Corporation is standing, is required to transfer such negotiable instrument or share, the Collector, or such officer as he may appoint in this behalf, may execute such document or make such endorsement as may be necessary; and such execution or endorsement shall have the same effect as an execution or endorsement by the party.

(*2*) Such execution or endorsement may be in the following form, namely:—

A B, by *C D*, Collector of the district of , in a proceeding under the Bengal Public Demands Recovery Act, 1913, against *A B*.

(*3*) Until the transfer of such negotiable instrument or share, the Certificate-officer may, by order, appoint some person to receive any interest or dividend due thereon, and to sign a receipt for the same; and any receipt so signed shall be as valid and effectual for all purposes as if the same had been signed by the party himself.

Vesting order in case of other property.

41. In the case of any movable property not hereinbefore provided for, the Certificate-officer may make an order vesting such property in the purchaser or as he may direct; and such property shall vest accordingly.

(Bengal Public Demands Recovery Act, 1913.—Schedule II.—Rules.—Rules 42—50.)

Sale of immovable property.

Sale of tenure or holding at fixed rates, subject to registered and notified incumbrances.

42. (*1*) When a tenure or a holding at fixed rates, situated in an area in which Chapter XIV of the Bengal Tenancy Act, 1885, is in force, has been advertised under rule 29 for sale in execution of a certificate for arrears of rent due in respect thereof, it shall be put up to auction subject to registered and notified incumbrances; and, if the bidding reaches a sum sufficient to liquidate the amount of the certificate and the costs of the sale, the tenure or holding shall be sold subject to such incumbrances. VIII of 1885.

(*2*) The purchaser at such sale may, in manner provided by section 167 of the Bengal Tenancy Act, 1885, and not otherwise, annul any incumbrance upon the tenure or holding, not being a registered and notified incumbrance. VIII of 1885.

Sale of tenure or holding at fixed rates, with power to avoid all incumbrances.

43. (*1*) If the bidding for a tenure or a holding at fixed rates, put up to auction under rule 42, does not reach a sum sufficient to liquidate the amount of the certificate and costs as aforesaid, and if the certificate-holder thereupon desires that the tenure or holding be sold with power to avoid all incumbrances, the person holding the sale shall adjourn the sale and make a fresh proclamation under rule 29 announcing that the tenure or holding will be put up to auction and sold with power to avoid all incumbrances, upon a future day specified therein, not less than fifteen or more than thirty days from the date of the postponement; and upon that day the tenure or holding shall be put up to auction and sold with power to avoid all incumbrances.

45. Where the certificate-holder is a co-sharer landlord and the certificate is for his share of the rent only, the provisions of rules 42, 43, and 44 shall not apply.

Postponement of sale to enable certificate-debtor to raise amount due under certificate.

46. (*1*) Where an order for the sale of immovable property has been made, if the certificate-debtor can satisfy the Certificate-officer that there is reason to believe that the amount of the certificate may be raised by the mortgage or lease or private sale of such property, or some part thereof, or of any other immovable property of the certificate-debtor, the Certificate-officer may, on his application, postpone the sale of the property comprised in the order for sale, on such terms and for such period as he thinks proper, to enable him to raise the amount.

(*2*) In such case the Certificate-officer shall grant a certificate to the certificate-debtor, authorising him, within a period to be mentioned therein, and notwithstanding anything contained in section 8 or section 18, to make the proposed mortgage, lease or sale:

Provided that all moneys payable under such mortgage, lease or sale shall be paid, not to the certificate-debtor, but to the Certificate-officer:

Provided also that no mortgage, lease or sale under this rule shall become absolute until it has been confirmed by the Certificate-officer.

Prohibition of purchase of tenure or holding by certificate-debtor.

47. (*1*) When a tenure or holding, situated in an area in which Chapter XIV of the Bengal Tenancy Act, 1885, is in force, is put up for sale in execution of a certificate for arrears of rent due in respect thereof, the certificate-debtor shall not bid for or purchase the tenure or holding. VIII of 1885.

(*2*) If a certificate-debtor purchases, by himself or through another person, a tenure or holding so sold, the Certificate-officer may, if he thinks fit, on the application of the certificate-holder or any other person interested in the sale, by order, set aside the sale; and the costs of the application and order, and any deficiency of price which may happen on the re-sale, and all expenses attending it, shall be paid by the certificate-debtor.

Deposit by purchaser, and re-sale in default.

48. On every sale of immovable property, the person declared to be the purchaser shall pay, immediately after such declaration, a deposit of twenty-five *per cent.* on the amount of his purchase-money, to the officer or other person conducting the sale; and, in default of such deposit, the property shall forthwith be re-sold.

Time for payment of purchase-money in full.

49. The full amount of purchase-money payable shall be paid by the purchaser to the Certificate-officer on or before the fifteenth day from the sale of the property.

Procedure in default of payment.

50. In default of payment within the period mentioned in rule 49, the deposit may, if the Certificate-officer thinks fit, after defraying the expenses of the sale, be forfeited to the Government, and the property shall be re-sold, and the defaulting purchaser shall forfeit all claim to the property or to any part of the sum for which it may subsequently be sold.

(Bengal Public Demands Recovery Act, 1913.—Schedule II.—Rules.—Rules 51—59.)

51. Every re-sale of immovable property, in default of payment of the purchase-money within the period allowed for such payment, shall be made after the issue of a fresh proclamation in the manner and for the period hereinbefore prescribed for the sale.

Bid of co-sharer to have preference.

52. Where the property sold is a share of undivided immovable property, and two or more persons, of whom one is a co-sharer, respectively bid the same sum for such property or for any lot, the bid shall be deemed to be the bid of the co-sharer.

Return of purchase-money in certain cases.

53. Where a sale of immovable property is set aside, any money paid or deposited by the purchaser on account of the purchase, together with the penalty (if any) referred to in clause (*b*) of section 23, and such interest as the Certificate-officer may allow, shall be paid to the purchaser.

Certificate to purchaser.

54. (*1*) Where a sale of immovable property has become absolute, the Certificate-officer shall grant a certificate specifying the property sold and the name of the person who at the time of sale is declared to be the purchaser.

(*2*) Such certificate shall bear date the day on which the sale became absolute.

Delivery of property in occupancy of certificate-debtor.

55. Where the immovable property sold is in the occupancy of the certificate-debtor, or of some person on his behalf, or of some person claiming under a title created by the certificate-debtor subsequently to the service of the notice issued under section 7, and a certificate in respect thereof has been granted under rule 54, the Certificate-officer shall, on the application of the purchaser, order delivery to be made by putting such purchaser, or any person whom he may appoint to receive delivery on his behalf, in possession of the property, and, if need be, by removing any person who refuses to vacate the same.

Arrest and detention.

Discretionary power to permit certificate-debtor to show cause against detention in prison.

57. (*1*) The Certificate-officer may, before issuing a warrant for the arrest of the certificate-debtor, issue a notice calling upon him to appear before the Certificate-officer, on a day to be specified in the notice, and show cause why he should not be committed to the civil prison.

(*2*) Where appearance is not made in obedience to the notice, the Certificate-officer may issue a warrant for the arrest of the certificate-debtor.

Subsistence allowance.

58. (*1*) When a certificate has been signed either in accordance with the provisions of section 4, or on a requisition made under section 5, no certificate-debtor shall be arrested in execution of the certificate unless and until the certificate-holder pays into Court such sum as the Certificate-officer thinks sufficient for the subsistence of the certificate-debtor from the time of his arrest until he can be brought before the Certificate-officer.

(*2*) When a certificate-debtor is committed to the civil prison in execution of a certificate, the Certificate-officer shall fix for his subsistence such monthly allowance as he may be entitled to according to the scale fixed by the Local Government for the subsistence of arrested judgment-debtors, or, where no such scale has been fixed, as the Certificate-officer considers sufficient with reference to the class to which the certificate-debtor belongs.

(*3*) The monthly allowance fixed by the Certificate-officer shall be supplied, by the person upon whose requisition the certificate was signed, by monthly payments in advance before the first day of each month.

(*4*) The first payment shall be made to the Certificate-officer for such portion of the current month as remains unexpired before the certificate-debtor is committed to the civil prison; and the subsequent payments (if any) shall be made to the officer in charge of the civil prison.

(*5*) Sums disbursed by the certificate-holder for the subsistence of the certificate-debtor in the civil prison shall be deemed to be costs in the proceeding:

Provided that the certificate-debtor shall not be detained in the civil prison or arrested on account of any sum so disbursed.

SUPPLEMENTAL.

DEPARTMENT OF AGRICULTURE, BENGAL.

FORECAST OF THE *RABI CROPS OF BENGAL*, 1912-13.

[**NOTE.**—*On the average of the five years ending 1910-11, the area under summer rice in Bengal represents some 0·5 per cent. of the total area under rice in British India.*]

Explanatory.—The crops dealt with in the present forecast are the spring crops, such as summer rice, barley, gram, tobacco, etc., which are generally sown during September and October and harvested between February and April. In the food-crops are included *kalai*, *arhar*, *mung*, peas, lentils, *kheshari*, *kulthi*, buck wheat, *cheena*, potatoes, yams, melons and chillies and in the non-food-crops, tobacco, *ganja*, fodder, fibres, etc.

Character of the Season.—The rainfall in September, though below the normal, was general and sufficient for the sowings of the crops in normal time. In October the rainfall was in excess of the normal. There were good showers of rain in the beginning of November which favoured the growth of the crops. During December there was no rain, and insufficient

rainfall in January adversely affected the growth of the crops. The rainfall in February, being general over the Province, improved prospects in many places, but being excessive in some places caused some damage. The season on the whole, though better than last year, has not been up to average.

Acreage.—The normal area under the different *rabi* crops in the Province dealt with in the forecast is estimated at 3,832,800 acres. The area actually sown this year is reported to be 3,109,300 acres against 3,169,200 acres last year which shows a slight decrease. 314,700 acres are reported to be under summer (*boro*) rice this year against 316,900 acres last year.

Outturn.—Estimated precentage of outturn in the 16 districts where the crop is most important is as follows :—Bakarganj 100, Burdwan and Mymensingh 93, Jalpaiguri 91, Malda and Tippera 90, Dacca 87, Pabna 86, Murshidabad 83, Rangpur 77, Jessore and Noakhali 76, Midnapore 75, Nadia 69, Faridpur 65, and Rajshahi 58.

According to the estimate of the district officers the outturn of the different *rabi* crops for the Province as a whole works out to 83 per cent. of the normal against 79 per cent. last year.

Accepting 90 per cent. as the outturn of summer rice, the gross yield of the crop for the Province, on the basis of a normal yield of 13½ maunds of clean grain per acre, is estimated at 2,809,200 cwts. against 2,797,400 cwts. last year. The increase works out to 0·4 per cent. only.

The low percentage of outturn is partly due to the decay of the fertility of the soil for want of manure and repeated cultivation and partly to want of rainfall in December and January. The figures of areas for *rabi* cereals and *rabi* pulses were combined in previous years. This year they have been shown separately. The difference in the total of these two heads from last year was due to transfer to other *rabi* food-crops by the Subdivisional Officer, Jamalpur. The decrease in area under *rabi* non-food-crops this year compared with the figures shown in last year's return was due to revision by the Subdivisional Officer Kishorganj.

MONTHLY WEATHER AND CROP REPORT OF BENGAL FOR MARCH 1913.

I. *Character of the season.*—During the month under review rain fell all over the Province. The fall was a little above the normal in the Burdwan and Rajshahi Divisions. In the other three divisions the fall was slightly below the average. The usual rainfall statement is appended.

II. *Progress of agricultural operations.*—The preparation of fields for *bhadoi* paddy, jute and other *bhadoi* crops continued during the month and sowing thereof commenced. The harvesting of *rabi* crops and the pressing of sugarcane continued.

III. *State of standing crops.*—The standing *rabi* crops were reported to be generally doing well.

IV. *Prospects and probable outturn of harvests.*—The outturn of *rabi* crops is expected to be 83 per cent. of the normal.

V. *Damage to standing crops.*—The rainfall in the beginning of the month damaged considerably the mango blossoms in Malda and Hooghly and also slightly the prospects of *rabi* crops in Nadia and Burdwan. Some damage by hail was also reported from Mehendiganj thana in Bakarganj in the middle of the month.

VI. *Condition of agricultural stock.*—The condition of agricultural stock was on the whole good. Cattle-disease was, however, reported to be prevalent in places in Khulna, Jessore, Burdwan, Rajshahi, Dinajpur, Malda, Mymensingh and Tippera.

VII. *Failure of pasturage and fodder.*—The supply of fodder and water was sufficient except in parts of Pingla thana in the district of Midnapore.

RESOLUTION ON THE BUDGET ESTIMATES OF THE COMMISSIONERS FOR THE PORT OF CALCUTTA FOR THE YEAR 1913-14.

No. 1391Marine.

Government of Bengal.

MARINE DEPARTMENT.

Dated Calcutta, the 22nd April 1913.

RESOLUTION.

READ—

Letter No. 12801, dated the 31st March 1913, from the Vice-Chairman of the Commissioners for the Port of Calcutta, submitting the budget estimates of income and expenditure of the Port Trust for the year 1913-14.

CAPITAL ACCOUNT.

An expenditure of Rs. 68,76,389 is provided for during the year on Capital Account. It is proposed to meet this expenditure, and a probable

deficit of about Rs. 2½ lakhs on Capital Account on the 31st March 1913, by the issue of a debenture loan of Rs. 70 lakhs and by the transfer of 1½ lakhs from the Vessels Replacement Fund. A sum of Rs. 42,63,180 has been provided for Works in Progress, including the additional Jetty and Warehouses commenced in 1912-13 to relieve the congestion at the import jetties, Rs. 25,13,209 for Original Works, and the balance, Rs. 1,00,000, for unforeseen works. The following *new* works costing above Rs. 50,000 each have been provided for :—

8. Railway approaches to the new river-side berths and reclamation of land for diversion of roads and the re-alignment of the Eastern Bengal State Railway (Dock Extension Scheme).	.....	2,00,000

REVENUE ACCOUNT.

2. *Income.*—It is anticipated that the income of the Trust for the year just closed will amount to Rs. 143 lakhs, or Rs. 2½ lakhs better than the estimate of the year, and Rs. 7¼ lakhs over the actual income of 1911-12. With these figures before them the Commissioners have budgetted for an income of Rs. 1,46,92,410 in the year 1913-14, which they believe will be fully realized.

There has been a general improvement in all the sources of income, and the Commissioners anticipate that this improvement will be maintained in both imports and exports. Large increases are expected under the following heads :—

	Estimate, 1912-13	Estimate, 1913-14	Increase
	Rs.	Rs.	Rs.
River Dues ...	25,32,000	25,84,000	52,000
Ferry Service ...	3,00,000	3,70,000	70,000
Wet Docks ...	43,30,425	44,80,685	1,50,260
Railway ...	14,13,750	15,65,220	1,51,470

3. *Expenditure.*—The total expenditure of the year is estimated at Rs. 1,45,58,922, out of which Rs. 60,41,366 represent obligatory charges, such as interest and sinking fund charges, leaving a surplus income of Rs. 1,33,488 as against an expenditure of Rs. 1,36,42,870 and a surplus of Rs. 4,21,193 for 1912-13. Under establishment charges provision has been made for an increase of nearly Rs. 2 lakhs, principally in the Traffic Department under Jetties, Docks and Railway : this is chiefly due to a reorganization of the system of working at the jetties. Further changes involving an increase of establishment are also contemplated to facilitate the delivery and removal of imports and relieve the congestion at the jetties.

A general summary of the estimates submitted by the Commissioners is given below :—

REPORT ON THE BRUCE INSTITUTION FOR THE YEAR 1912.

NOTIFICATION.

No. 2832.—The 24th April 1913.—The following is published for general information.

H. F. SAMMAN,
Offg. Secy. to the Govt. of Bengal.

Report on the Bruce Institution for the year 1912.

I. *Control.*—(1) During the year under review the following gentlemen were appointed, under rule 10, to be Governors :—

(*a*) The Hon'ble Mr. A. M. Monteath, *vice* Mr. F. H. Stewart, resigned.

(*b*) The Revd. D. H. Manley, *vice* the Revd. R. C. Grose, resigned.

(*c*) The Revd. Father A. Van de Mergel, S.J. whose term of office had expired, was re-appointed.

(2) The Hon'ble Sir Richard Harington ceased, under rule 8, to be a Governor by effluxion of time.

(3) Mr. M. Prothero, who was retiring from the service of Government, resigned his appointment as a Governor in the month of December.

(4) The following is a list of the Governors holding office at the end of the year :—

The Hon'ble the Chief Justice of Bengal ...	*Ex-officio.*
The Most Revd. the Lord Bishop of Calcutta ...	
The Inspector-General of Civil Hospitals, Bengal ...	
The Chairman of the Calcutta Municipality ..	
The Director of Public Instruction, Bengal (Honorary Secretary.)	
The Hon'ble Mr. W. C. Madge, C.I.E.	
The Hon'ble Mr. A. M. Monteath.	
The Ven'ble Archdeacon Wickins.	
The Revd. Father A. Van de Mergel, S.J.	
The Revd. D. H. Manley.	

II. *Capital and Income.*—The capital of the institution stood, as in the previous year, at Rs. 10,51,200, of which Rs. 10,46,200 are in the form of a 3½ per cent. stock certificate of the year 1865. The balance, viz. Rs. 5,000, is invested in 3½ per cent. Government securities. The annual interest on the capital amounts to Rs. 36,792. The year opened with a balance of Rs. 3,035-15-6 and closed with a balance of Rs. 22,167-6. The reason why the opening balance was unusually small is that the second half-yearly interest of Rs. 18,396 for the year 1911, which is generally received in December, was not received till January 1912.

III. *Election to vacancies, etc.*—(1) The annual election of foundationers was held on the 9th February. For the 12 vacancies advertised 71 applications were received, but 2 vacancies having subsequently occurred, 14 girls were elected on the recommendation of a Sub-Committee consisting, of the Ven'ble Archdeacon Wickins, the Hon'ble Mr. W. C. Madge, the Revd. Father A. Van de Mergel, the Revd. R. C. Grose and Mr. M. Prothero. Of the girls elected, 8 were placed in the Loreto Convent, Entally (4 in the boarding school and 4 in the orphanage), 3 in the Calcutta Girls' High School, 2 in the Pratt Memorial School and 1 in the Calcutta Free School.

(2) Of the 12 girls withdrawn during the year, 7 had attained the age of 17 years, the limit ordinarily allowed under the rules, 1 girl was withdrawn on account of ill-health and 4 died.

(3) Of the girls who had been withdrawn during the preceding year, and in respect of whom reports have been received during the year under review, one is temporarily employed as a pupil-teacher in the school where she was educated, another is being trained for mission work and one girl was married.

(4) At the close of the year there were 137 girls on the foundation against an equal number in the preceding year. They were distributed as follows :—

Loreto Convent, Entally	Boarding School 37 Orphanage 25	...	62
Calcutta Girls' School	... ...	...	38

	Total	...	137

(5) The following table affords particulars as to the class and religion of the foundationers at the close of the year :—

Class.	Roman Catholics.	Church of England	Non-conformists.	Total.
1. Orphans, or deserted by their parents.	23	11	11	45
2. Fatherless, or deserted by their fathers, or those whose fathers were incapable	39	22	21	82
3. Having father or both parents alive	3	3	4	10
Total ...	65	36	36	137

(6) The health of the girls was, on the whole, satisfactory. There were a few cases of illness, and three girls died of enteric fever.

IV. *Education and maintenance.*—(1) The nature of the education imparted to the girls on the foundation was generally that prescribed for Elementary and Higher Elementary Schools under the Code of Regulations for European Schools in Bengal. A few girls were prepared for the Cambridge Local Examinations. Two girls gained Elementary Scholarships of the value of Rs. 12 a month each.

(2) Parents and guardians are generally given the choice of any boarding school for the education of their children or wards who may be elected, provided that such a school has been approved by Government as suitable for girls enjoying the benefits of the Bruce Fund. A sum of Rs. 21-8 or Rs. 16 a month is paid for the education and maintenance of each foundationer in a boarding school or an orphanage, as the case may be. A sum of Rs. 40 or of Rs. 25 is also allowed for each foundationer for an outfit on joining a boarding school or an orphanage, as the case may be. Under the rules a girl is not ordinarily allowed to remain on the Fund after she has attained the age of 17 years, when an outfit of Rs. 50 is generally given to enable her to make a start in life. If, however, a girl elects to take up teaching as a profession an extension may be given under the rules. One such extension was granted during the year. Short extensions not exceeding a year are also generally allowed to girls who are preparing for examinations under the Code of Regulations for European Schools or for the Cambridge Locals, or who are learning shorthand or typewriting. One such extension was granted during the year.

(3) The monthly average cost of the education and maintenance of each girl on the Fund amounted to Rs. 19-0-4 against Rs. 18-11 in the preceding year.

(4) The amounts paid under the different heads of expenditure were as shown below :—

V. *Inspection.*—The Revd. Father A. Van de Mergel, S.J., was appointed Visiting Governor for the first-half, and re-appointed to the same office for the second-half, of the year. His reports were satisfactory. Father Van de Mergel stated in his first report that he found everything in a satisfactory state and heard no complaints worth mentioning, In his second report he again stated that, as far as he was able to ascertain, everything was in a very satisfactory condition, except that there had been an outbreak of enteric fever at one of the schools, and three of the Bruce wards fell victims to it, but that all danger seemed to have passed at the time of his visit.

VI. *Meetings.*—Four meetings were held during the year, and among the various resolutions passed the following may be noted :—

(1) That the scholarship money of Bruce foundationers should be utilised for the benefit of the holder. The scholarship should be drawn by the school authorities. A portion of it, if thought desirable, should be allotted, in consultation with the Visiting Governor, for immediate use, such as payment of fees for special instruction or for a little pocket-money to the girl, and the balance should be banked in her name.

(2) That the Visiting Governor should make enquiries, on the occasion of his visits to schools, as to whether there were any cases where the circumstances of parents or guardians of wards of the Bruce Institution had changed for the better, and should report such cases to the Governors for any action they might think desirable.

CALCUTTA,
The 31st March 1913.

G. W. KÜCHLER,
Honorary Secretary to the Governors.
